Dear [REDACTED]

We were all shocked and saddened a week ago to hear of the passing of our State Representative, Terry Blair. Terry has a loving family, a lot of friends, and a deep devotion to public service and we all join in mourning his loss and offering condolences to his widow and family.

But with his untimely passing, the solemn duty has fallen upon you as a member of the Republican Central Committee from the 42nd House District to elect a replacement candidate to carry the Republican banner in the November election.

We are writing today to encourage you to consider supporting Tom Young to be our Republican candidate for the House of Representatives. Tom is a strong and proud conservative for smaller government and against deficit spending and tax increases. He is pro-life and a strong defender of our Second Amendment freedom. From knowing Tom we can tell you that he will put his principles into action to help improve our State and Nation, just as he has worked tirelessly to help improve our region.

Tom has been active in public service, serving for four years on Miamiburg City Council and as for nine years as a Trustee of Wright State University. He has been involved in his community and active in so many charitable causes that we can not list them all here, but education and early learning are a passion for him.

Tom has also worked hard for more than thirty years to support our County Republican Party and its candidates, serving as Vice Chairman of the Republican Party and Chairman of the Central Committee. We particularly appreciate Tom's work over the past year to help bring more unity to our Party and to mentor our current candidates.

Tom has lived in this district his entire life, growing up in Miamiburg and living for the past twelve years in Washington Township with his wife Colleen and their three children. Tom is a financial advisor, currently a Senior Vice President in Wealth Management.

In our opinion, no other candidate comes close to Tom's background of public service, community involvement, and dedication to our Party. But more importantly, Tom will listen and lead. He will put his strong conservative principles to work in Columbus to make Ohio and our Nation better.

That's why we are proud to support Tom Young, and know he will represent our community well in the Statehouse.

But don't take our word for it. Meet or talk with Tom and see for yourself. Tom will be contacting each of you individually over the next week to hear your concerns, talk to you about the issues and his priorities, and answer your questions. You can count on him to do the same after he is elected as well.

After you have met and talked with Tom, we hope you will join us in supporting him. Please give Tom your vote to nominate him as our next Republican State Representative.

Very truly yours,

Sheriff Phil Plummer,

Chairman, Montgomery County Republican Party

Sharon Lowry

Co-Chair, Montgomery County Republican Party

P.S. - Please come meet Tom and his family - Thursday, July 13, from 2pm to 4pm at the Crop House, 7727 Washington Village Dr. We look forward to seeing you there.
