| REMEMBER TO INCLUDE WHO, WHAT, WHEN, WHERE AND HOW | DETAILS: At 1700 Hours 8/19/2017 I was informed by CPO Hynes that a white male was taking photos of the art in the third floor of the library, CPO Hynes informed me that unknown patrons had expressed concerns that the patron was taking pictures of them. I approached the patron and introduced myself and asked him his name. he said "David Esrati". I started to explain that taking pictures of the art work, and the building were ok, but I had received a complaint that he might have been taking pictures of patrons. "David cut me off and told me that no one had complained and I was just harassing him. As I tried to explain to "David" that a complaint had been received, he again told me that there was no complaint, and started calling me a "Nazi" David then told me to "Leave him the Fuck alone". I asked him to not use that language, at which time, he took out his cell phone and started to record me. I informed David that that language was not tolerated here. He became verbally belligerent, and continued to swear and telling me to read the constitution. I continued to escort David down stairs and I was joined by Sgt. Bullock. David continued to swear very loudly, causing a major disruption. By this time, David had worked his way up to 30 days. We escorted David outside of the building, and down Third Street. David continued to use foul language, referring to me as a Nazi, and invoked Tim Kambitsch's name. We continued to make sure David was off property when he went into Cooper Park towards Second Street at 1707 hours. Nothing further to report Respectfully Submitted: Sgt. Donald J. Donovan | | |

| DETAILS: | <p>On 8/17/2017 at approximately 1655 hours I CPO Edward Hynes was approached by an unknown white female approximately 15-17 years old wearing a white top and jean shorts. The unknown white female expressed concern that another patron across the way on the third floor had taken pictures of her without her permission. She asked if there was anything I could do about it. I made contact with the unknown white male approximately 30-40 years old with a description of dark hair and balding, glasses, wearing a black T-shirt and black cargo shorts. The unknown white male was carrying what looked to be a 35mm camera with a telephoto lens and another black bag. I asked the unknown white male what company or newspaper he was with and why was he taking picture of patrons. The unknown white male told me "It was none of my business and that this was America and he could take pictures of whoever he wanted to". I made contact with SGT. Donovan via the radio and advised him of the situation and my location. SGT. Donovan arrived approximately at 1700 hour and politely confronted the patron. When the patron continue to cut SGT. Donovan off and told him to get the fuck away from him and called him a Nazi. SGT. Donovan advised the patron that type of language was unacceptable. The situation started to escalate and I slowly approached the area. SGT. Bullock was making his way from the second floor. The unknown white male took out his cellphone and started video taping everything. SGT. Donovan at that time told the patron it was time to leave the library and started to escort the unknown white male. SGT. Bullock was on the stairs between the second and third floor and I noticed Officer McGuire was on the first floor. I remained on post on the third floor at SGT. Donovan request. | DETAILS: | | | |
| Remember to include who, what, when, where and how | <p>On 19 August 2017 at approximately 1700hrs I CPO William Schantz a Custom Protection Officer for G4S Secure Solutions assigned to the Dayton Metro Library Main Branch I did become involved in the following incident. On 1 September 2017 I was directed to write a report reference the incident from 19 August 2017.</p> <p>On above date and time while assigned to the Control Room of the Dayton Metro Library Main branch I received a radio traffic message from CPO Hynes. CPO Hynes stated that there was an unknown white male on the 3rd floor who was taking pictures inside the library. A female patron had stopped CPO Hynes and advised that she believed that this unknown white male had taken her picture without her consent and that she wanted the photo deleted. Sgt. Donovan responded that he was enroute to the 3rd floor. I pulled up the CCTV system for the 3rd floor. I observed the unknown male now known to me as David Israti taking photos with a telescopic camera from the 3rd floor by the grand staircase. As Sgt. Donovan approached this patron. I observed via the CCTV system Sgt. Donovan extend his right arm as in a friendly gesture during an introduction. The male patron didn't seem to acknowledge Sgt. Donovan. Sgt. Donovan and the male patron began to have a conversation. CPO Hynes moved to the west side of the staircase as a cover officer. As their conversation progressed it appeared that the male patron was becoming agitated with Sgt. Donovan. At approximately 3 to 4 minutes into their conversation I observed the male patron take out his cell phone. At this point Sgt. Bullock arrived on the 3rd floor Sgt. Donovan asked for photos to be taken of the male patron and that he was being removed. Sgt. Donovan and Sgt. Bullock escorted the male patron down the staircase. page 1 of 2</p> | | |
