

# FAIRVIEW HIGH SCHOOL

2408 PHILADELPHIA DR.  
DAYTON, OHIO 45406

June 16, 1981

Dear Parents,

I would like to take this last opportunity, on behalf of the faculty and staff, to express how very special the Class of 1981 has been to Fairview High School.

Although this was a small class, they were able to accomplish big things in all areas — academic, athletic and extra-curricular. A great deal of credit for the students' success lies in your support and your cooperation. Your interest and active participation in the life of the school was a source of pride and inspiration for all of us here at Fairview.

"Together we can" has been a motto for the Dayton schools, and this phrase applies especially to Fairview High School where we must rely on the quality of our students, parents and staff to speak for us, rather than quantity. "Together we can," we said in the past. Now we can say proudly, "Together we did," for the graduation of the Class of 1981 brings to a close for most of you your formal involvement with Fairview High School. We would welcome your continued support, and we hope that all of you still consider Fairview your school and will come to visit us whether it is a play, athletic contest or concert.

Sincerely,

Jean D. Booker  
Principal
